5. To join an additional CPSOnline class, click the Enroll in a class button from the main menu.  
6. Once you have finished enrolling in all of your classes, click Log Out. So that CPSOnline properly records your information, log out of CPSOnline.

NOTE: If you enroll in more than one class using CPS, your response pad may have a different assigned number for each class. Note your assigned response pad number after you enroll for each class, and use the reminder emails from eInstruction to keep track of your information.

Using CPSRF in your class

The eInstruction response pad is easy to use with CPS. Use the information below to learn how to use the buttons on the pad. If you have any questions, log onto www.einstruction.com and use the Customer Support menu option. Type in your name and enter the live chat room for immediate help. You can also reach Technical Support at 888.333.7532.

✦ Power — turn the response pad on or off by pressing the PWR/JOIN button.  
✦ Join – the response pads automatically search for a class roster to join whenever you turn on the pad.  
  ✦ Initiate Join – to have the response pad begin searching for a class roster to join, turn on the response pad and press the PWR/JOIN button.  
  ✦ Manually Join – to manually join a class, turn on the response pad and press the PWR/JOIN button twice. Join; appears on the LCD screen. Type in the channel number for the class roster you would like to join, and press Send.  
✦ View Response Pad Information – to view the response pad channel, roster number, and firmware version, turn the pad on and press the < button. Your roster number will appear in the top left corner of the LCD screen after you have joined a class.  
✦ View Serial Number – to view the serial number for your response pad, simply press the PWR/Join button to turn on the response pad. The serial number displays in the LCD screen as your response pad searches for a class roster to join. Your serial number will begin with “r1...”.  
✦ Adjust LCD Screen Contrast – to adjust the LCD screen contrast, press the > button. Use the A1 button to decrease the contrast and the C3 button to increase contrast.
